The 1981-82 Shamrock Staff is proud to dedicate this annual to a man who is special both to his students and his community. He and his wife, Sheila, and three children, Chuck, Brandon, and Starla, are members of the Greens Creek Baptist Church. He is also a member of the Lions Club. At school he is involved in many things. He is a sponsor of the Junior Class and teaches a world history class, but is better recognized as the band director. He is a man who has made personal sacrifices to help the High School Band make school history. For the first time, a Dublin High School Band won a 1st division rating at marching contest because of his encouragement and faith in the students. He saw the potential and never let us give up on ourselves. He has created a feeling of unity and pride within the group that is being reflected throughout the whole school

A DUBLIN LION

A lion is a part of many great things — very young but very eager to learn. A lion is a person who enjoys what he does because he knows he is depended on by many. A lion cares for his teammates as if they were his own relatives. A lion may sometimes lose and may sometimes win, but either way, he knows he has done something he can be proud of. A lion is a true hitter, great hustler, but most of all a great winner

"Hoka Hey"

is an Indian expression meaning "It's a good day!"

To Chief Crazy Horse and his braves, it meant it's a good day to die valiently in battle.

To the Hoka Hey Foundry and Gallery, it means it's a good day to continue producing and displaying some of the finest pieces of bronze and art in the world by some of the nation's leading sculptors and artists.

To the students of Dublin High School, it means it's a good day to study, participate in school activities, and get a good education.
